CLASS SONG

MARY WHITE

RUTH VREELAND

Four years ago we entered here In search of honor, truth and light. You've given them in measure full; We sing our heartfelt thanks tonight.

II

Our lives, as they with years unfold,
To thy ideals will be true;
And should we reach exalted heights,
To Barringer it will be due.

III

Before us now the open door
Is calling us to deeds unknown;
And though tonight we sing farewell,
We'll ever claim thee for our own.

CLASS SONG

AGNES M. DE PHILLIPS

THEODORE OAKLEY BAILY

TO YOU OUR ALMA MATER DEAR, WE RAISE OUR VOICES CLEAR RECALLING HAPPY DAYS GONE BY TO US SO FULL OF CHEER FOUR
THE PARTING TIME HAS NOW ARRIVED, WHEN THRU STRANGE LANDS WE STRIVE TO STEER OUR DIFFERENT WAYS ALONE LED BY THY BRIGHT LIGHT BUT

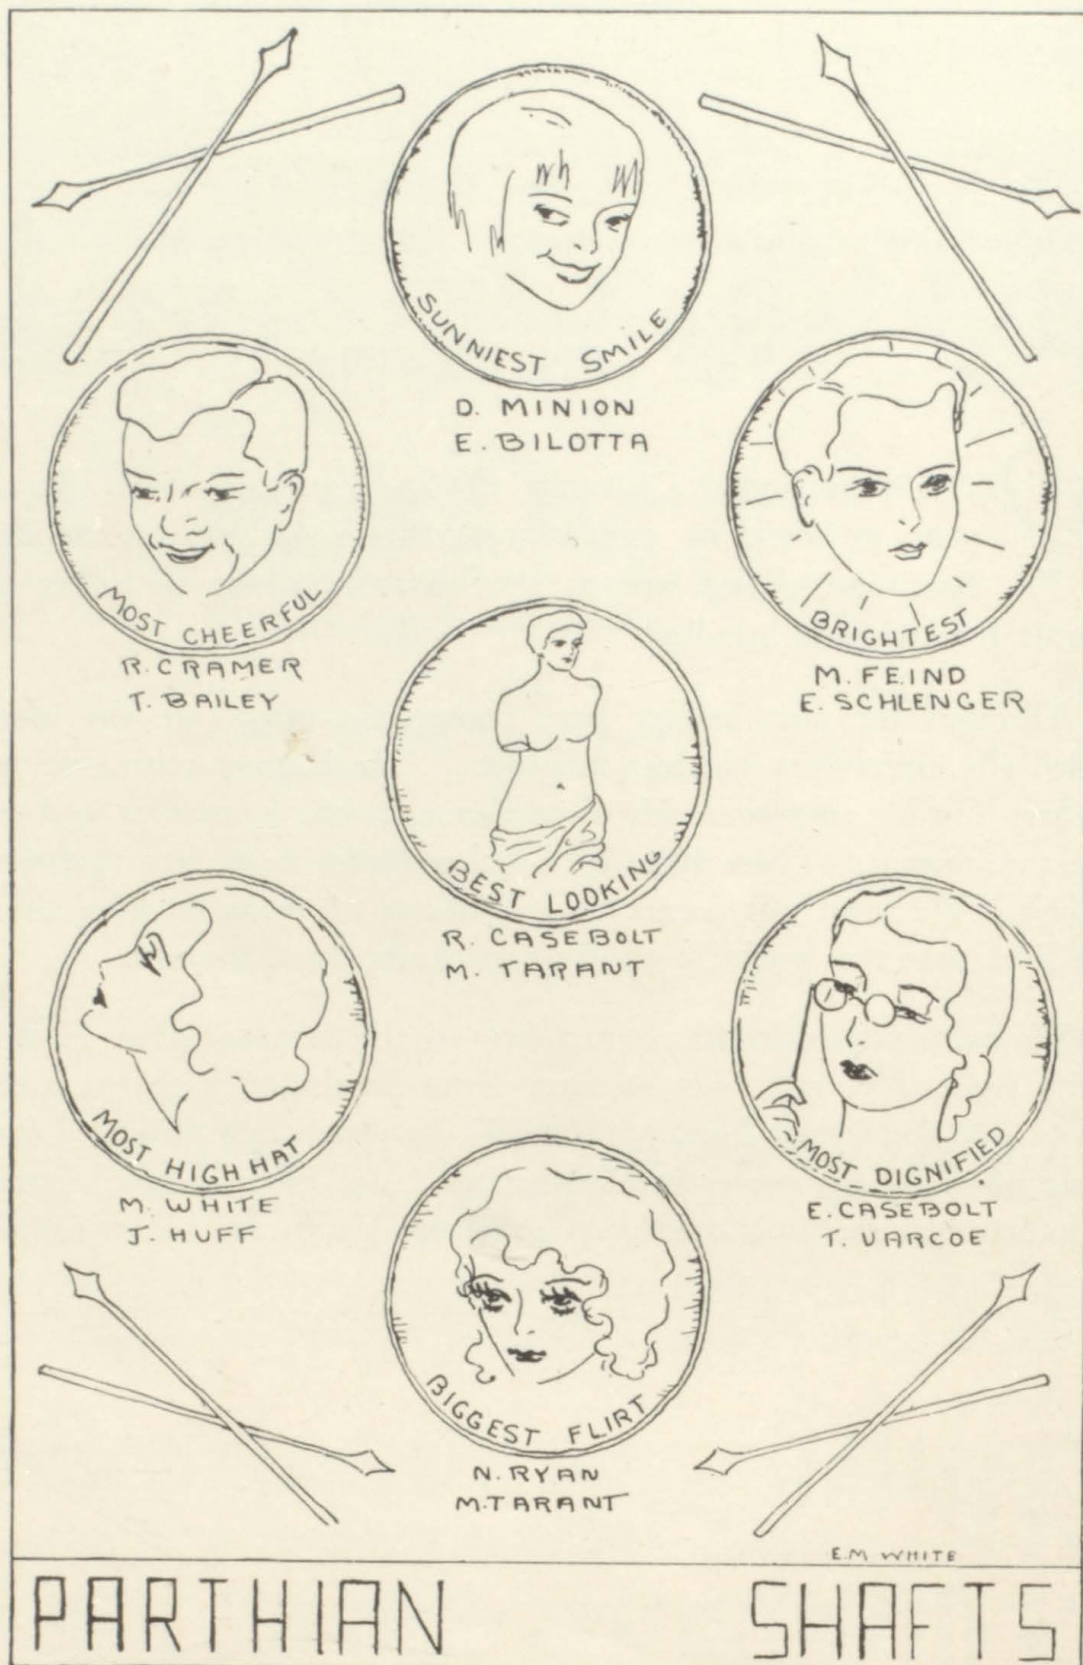

YEARS AGO WE TOOK OUR PLACE, TO KEEP YOUR NAME PURE, AND TO STAY YOUR DEEDS FOR WHICH WE'LL ALWAYS BE THE LOYAL SONS WHO'RE WONT TO SEE
NOW THE WAY IS PAVED RIGHT WELL FOR THOSE WHO SEEK SWEEPING SO CHERISH E'ER WITH ALL OUR MIGHT HER STANDARDS HONOR TRUTH AND LIGHT

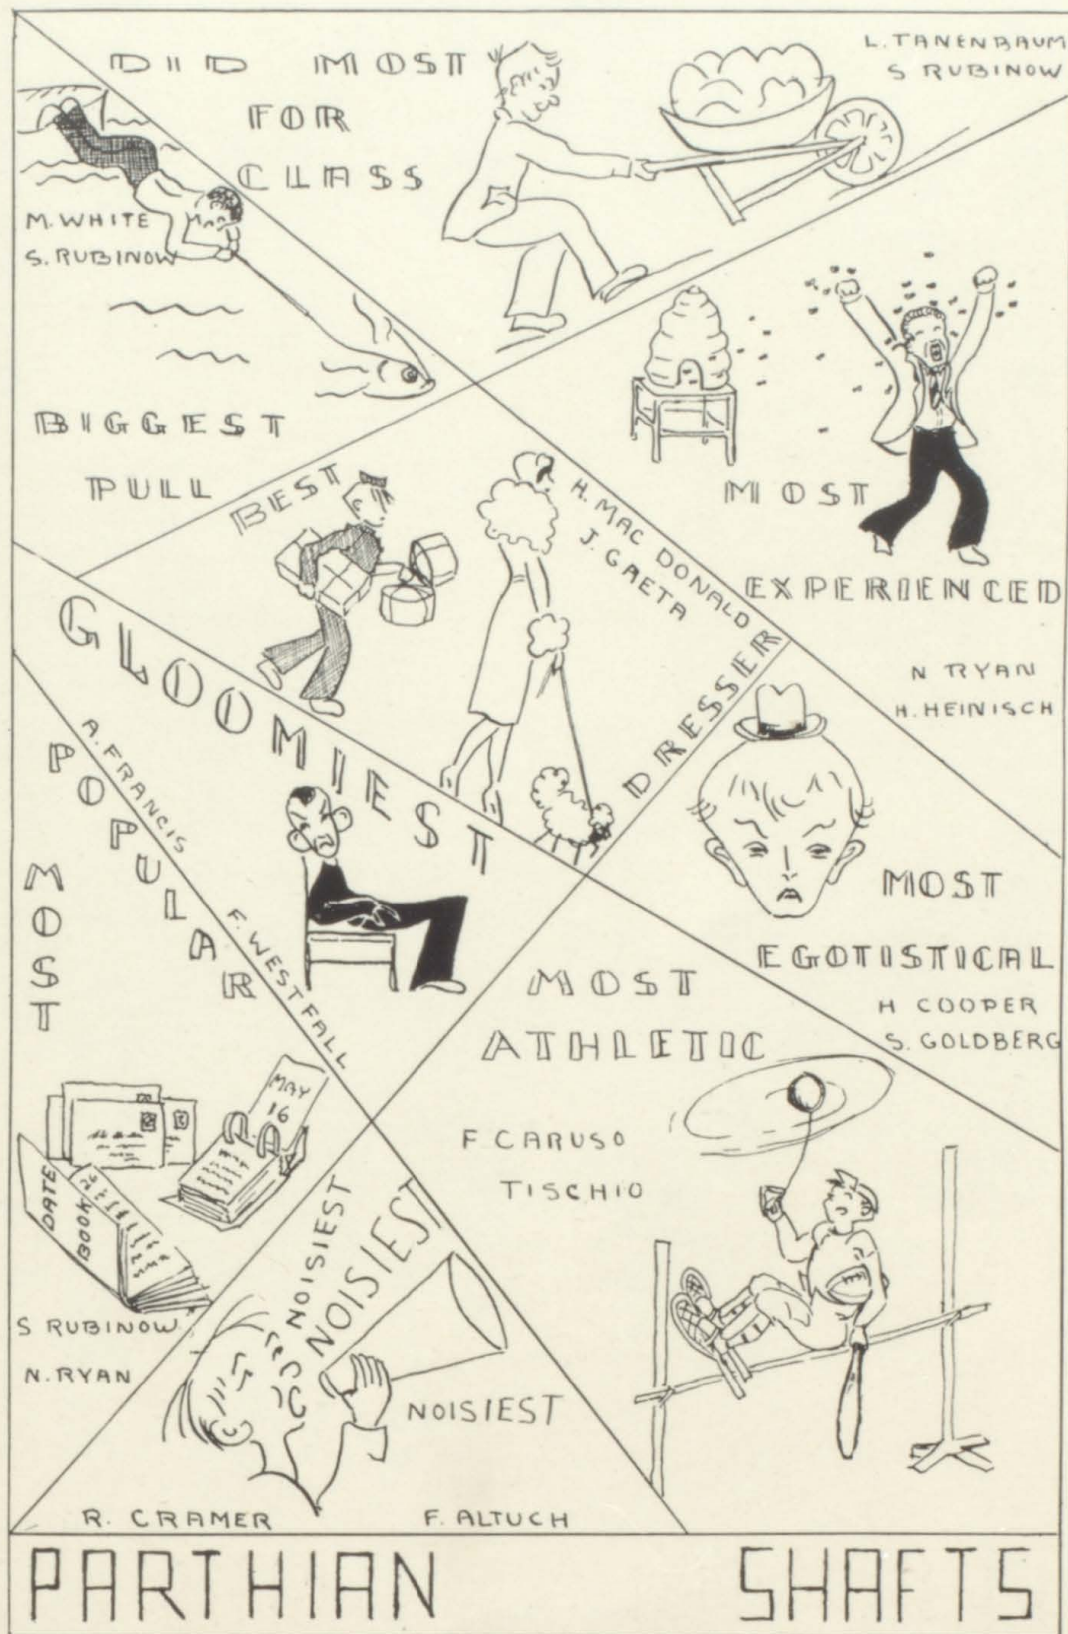

THE CENTURION

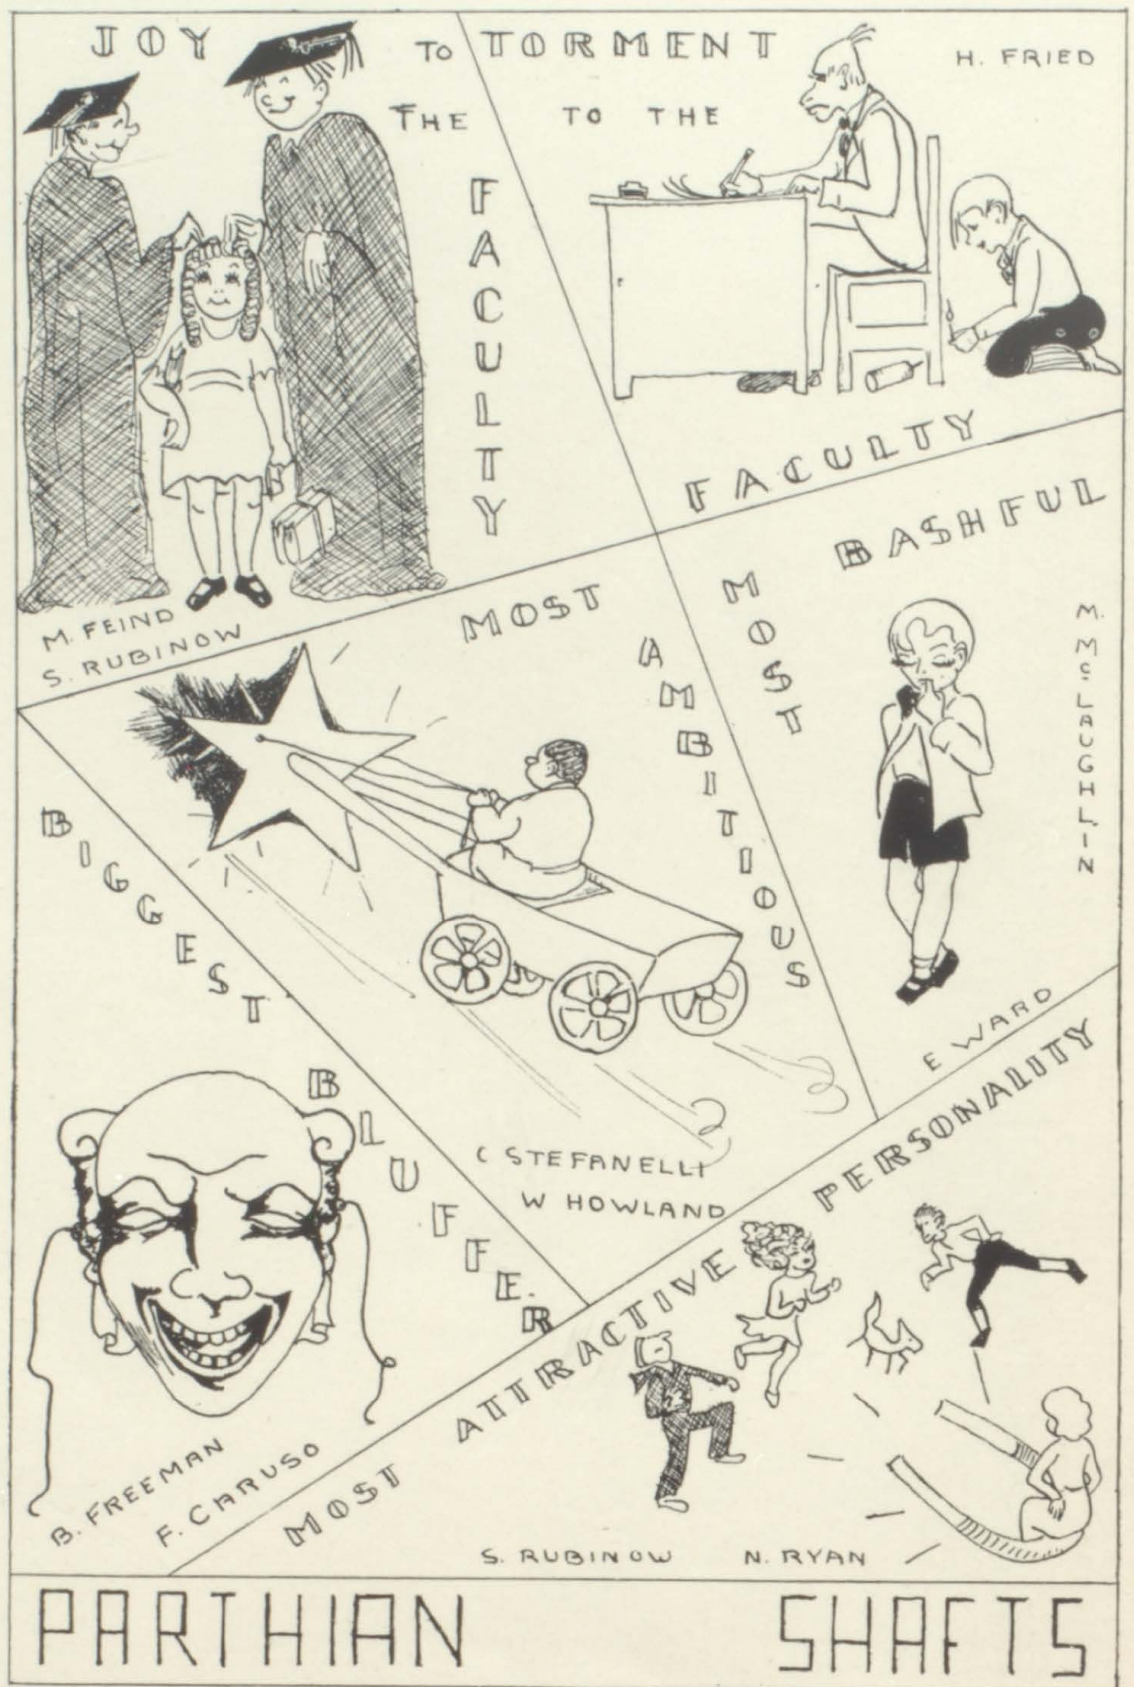

WAS not the Roman Centurion the leader of a hundred? In this way, at least, he parallels us, the leader of one hundred Barringer classes, and as the leader it is for us to set the example for the next hundred.

Through the ages leaders have chosen the ways, set the ideals, molded the aspirations of their followers. The Roman centurion was a fighter for his emperor. His first thought was to protect and enlarge the empire. There have been other leaders: military, political, religious. We must not forget those pioneers of medicine who risked their lives that the world might be free from dread plagues.

We ourselves are leaders as members of this hundred class. Let us use our leadership well. Let us carry from Barringer, with the memories of our four years here, our school's standards and ideals. Let it be said of us, "They were true Centurions," not warlike, cruel, harsh, but leaders blazing trails worthy of sons and daughters of Barringer.

OUR OPINIONS

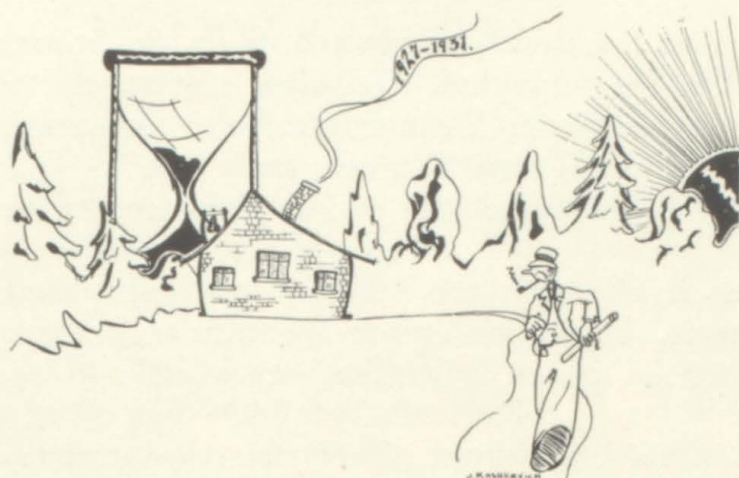

| | |
|-------------------------------------|---------------------------------|
| Honor most to be desired | Honor Society |
| Hardest Year | Third |
| Pleasantest Year | Fourth |
| Most Valuable Subject | English |
| Easiest Subject | English |
| Favorite Sport to Play | Tennis |
| Favorite Sport to Watch | Football |
| Favorite Radio Program | Rob't Burns |
| Favorite Dance Orchestra | Guy Lombardo's |
| Favorite Character in History | Abraham Lincoln |
| Favorite Character in Fiction | Sherlock Holmes |
| Favorite Actor | Leslie Howard |
| Favorite Actress | Ethel Barrymore |
| Favorite Movie Actor | Lew Ayres |
| Favorite Movie Actress | Joan Crawford |
| Favorite Magazine | Saturday Evening Post |
| Best All-around Teacher | Mr. Saylor |
| Best Movie | Hell's Angels |
| Best Book | All Quiet on the Western Front |
| Best Dance Number | "Running Between the Raindrops" |

There are some things we expect never to see—or hear.

For instance:

Miss Capen without at least five post graduates at her desk.
 Ruth Cramer in a languid mood.
 Abe Francis laughing heartily.
 Bessie Freeman hurrying.
 Eleanor Golz acting very dignified.
 H. Schwabacker quiet for all of three minutes.
 Mr. Stevens alone in 55 or 62.
 Frances Westfall without her rabbit's foot.
 Jack Huff wide awake in History class.
 Geraldine Bareise sitting quietly.
 Asdrig Isselian scowling.
 Gertrude Bloom not trying to sell something.
 Dot Minion with all her homework done.
 H. Heinisch with all A's on his report card.
 S. Goldberg telling everyone how poorly he has done in French.
 J. Kashkevich talking about someone else.
 H. Fried not bothering anyone.
 Nora Ryan without some man or other hanging around.

CLASS HISTORY

From the pages of the monthly Acropolis

AS the following excerpts from the Acropolis of the last four years of our presence at Barringer constitute the most authentic, first hand account of our activities and growing fame, they have been set down here as our class history.

As freshmen, we received the usual reception in the Acropolis:

Freshmen

"Latest 1927 Models.

Height—Ranging from 2 to 4 feet.

Size and shape—All fifty-seven varieties.

Uses:

1. To advertise brief cases.
2. To clutter up the corridors.
3. To make the line to the lunch-room longer.
4. To provide cheerful noises in the halls.
5. To patronize the sandwich room and pretzel stands.
6. To prove to outsiders that there are such things as text books in use at Baarringer."

* * * * *

"Our new freshman class has an enrollment of over three hundred members, making one of the largest classes in the history of the school. The size of the freshies makes us wonder as to the source of our future football material."

* * * * *

"Just as Barringer did well in the Community Chest, so did she do well in the sale of Christmas Seals. The Home Room which sold the most seals was 63, and a 1A room at that."

* * * * *

Then there was a long hiatus of many months, covering our second year, during which we remained in obscurity. However, we next appeared when we first took form as a real class body:

(Class History, Continued)

"The 3B class has already organized, with Mr. Stone as adviser. A Constitution has been adopted, and class officers elected. They are: Paul Lemassena, president; Eleanor Casebolt, vice-president; Virginia Carrington, treasurer; Turner Varcoe, secretary."

Then as we began to get our stride, plans loomed up for amassing our necessary fortune.

"Everyone knows that the 3A class was exceptionally active last term. This term, bigger and more spectacular projects are in store. Officers will soon be chosen, and then, just wait!"

* * * * *

"The 3A Class has elected officers for this term, namely: Sidney Rubino, president; Beverly Cook, vice-president; Frank Ritger, treasurer; and Marguerite Bismarck, secretary. The class will swing into full action; great things are promised from our present Junior A's."

* * * * *

"Mr. Dann (Faculty Foibles) is extremely proud of his loquacious home-room, 91, which will soon have the titular honors for noise. (81 is graduating)."

And now, the best, fullest, richest, most enjoyed year of them all; we are now the high, mighty, and very dignified seniors:

"The 4B Class is planning many surprises for this term. However, only two of these are to be revealed here. The first is a new Barringer pin, for the 1B's and up to and including the 4A's. This is expected to go over big, so be sure you save your pennies to buy one. The second surprise is Shakespeare's Macbeth, to be given in our auditorium some time in October, by a professional company. It will be a big chance for all of us. Let us hope that the rest of their plans are as good as these two."

* * * * *

"The 4B Class sponsored a Shakespearian play Thursday afternoon, October 9. It was a huge success, and we are sure every one enjoyed it. The new Barringer pins are expected to be on sale shortly. Be up to the minute. Buy one and wear it. The following officers have been elected for this term: Sidney Rubinow, president; Ruth Cramer, vice-president; Florence Groves, secretary; Frank Ritger, treasurer.

* * * * *

"The 4B's have been busy making plans for the current theater party held at Mindlin's Playhouse this week. Barringer and East Orange night, one of the big features of the week, is being held Friday. There is going to be cheering, and everything else that goes to make up a good time. A word to the wise is sufficient. The new B. H. S. pins and charms have been selling well. If you haven't bought yours yet, buy one today. Arrangements are now under way for the 4B-4A reception.

(Class History, Continued)

"4B-4A Reception

According to custom, the 4B Class entertained the 4A Class at a reception, in honor of their graduation. Refreshments were served by the girls of the 4B class. There was dancing in the gym, decorated with balloons in our school colors. The music was furnished by Anthony Ruccia and his "Knights of Melody." The members of the faculty and officers of the 3B and 3A classes were invited.

* * * * *

"Have you by any chance happened by room 55 lately? Don't worry, if you have, you won't have to think. It certainly lives up to its name of being the noisiest class since our seniors have left us. (Former 91-ders)."

* * * * *

And now, the finished product:

"The 4A class is now set for their last and most enjoyable and eventful term. They have elected the following officers: Sidney Rubinow, president; Ruth Cramer, vice-president; Florence Kaufer, secretary; and Stanley Sweatt, treasurer.

"One of their first plans to add to their treasury is to renew the Barringer pin sale, which has proven a great success. Then, you all know that our 4A class gives weekly dances on Friday at 2:30, in the gym. So just dance the close of the week away. We just know, too, that everyone is looking forward to the Senior Acropolis. The Senior Board has already been chosen and is well on its way to make this book the best (?) issued in Barringer.

* * * * *

"Prom Announcement

What-ho—What-most decidedly ho. It has come to our attention that the 4A's have planned a big blow-out, for May 16th. Much consideration was expended before this date was selected. Temperature, day of week, etc., were all gone over. It was decided June would be too warm, so the merry month of May was chosen.

"Then, having settled the date, the committee, one of the finest collections of talent ever assembled in Barringer, turned its attention to a place, and seeing a fine building on East Park Street, decided to hold the dance there, but was frustrated by the fact that the Fireman's Insurance Company would not rent their building, so the one down the block was taken. It is not so tall, it is true, but we hope the New-ark Athletic Club will prove adequate.

"The bids will be out soon, so get yours from any member of the 4A class for the Senior Prom, May 16, at the Athletic Club, N. A. C. orchestra. Last but not least, the tax is three dollars.

"Don't forget—I'll see you all there."

THE NATIONAL HONOR SOCIETY

President TURNER VARCOE
Vice-President JOHN HARDHAM
Secretary MARY WHITE

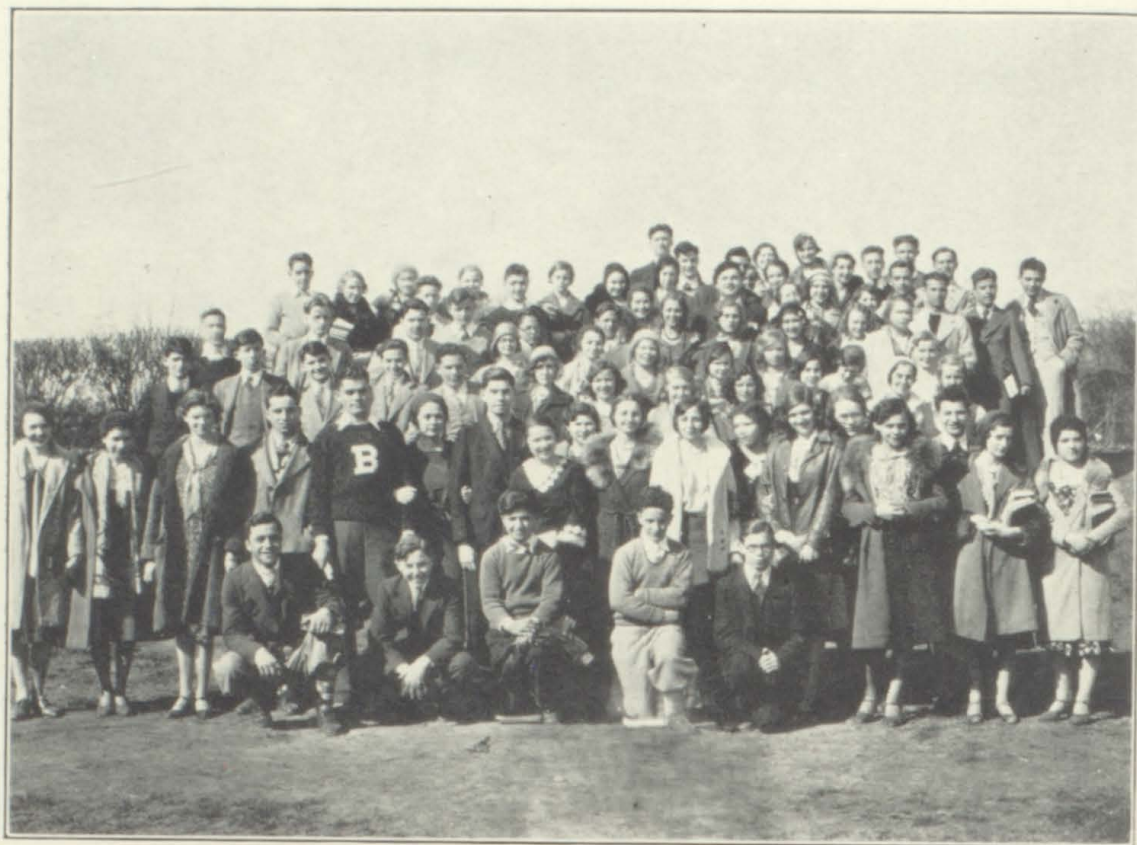

To be elected to the National Honor Society is one of the greatest honors which a student may receive while at Barringer. The National Honor Society has been well defined, in short, as a junior Phi Beta Kappa.

Students are chosen from the first third of the three highest classes. The membership includes fifteen per cent of the 4A's, ten per cent of the 4B's, and five per cent of the 3A's.

Good marks alone do not entitle a student to membership. The letters on the emblem of the Society stand for the four requirements which make up a pupil's eligibility—Character, Scholarship, Leadership, and Service.

The Barringer Chapter of the National Honor Society was organized in 1929, and since then it has carried on in a worthy manner. As part of its meetings, there are discussions concerning problems of the school in general; it manages the information desk at the main entrance, and gives other helpful service to the school. As long as Barringer keeps producing its present grade of students, the Honor Society will flourish.

LE CERCLE FRANCAIS

President JEROME KALIN
Vice-President ANDREE BELVERGE
Secretary LUCILLE TANENBAUM

WITH Mme. Carleu as the capable advisor, our French Circle has proven one of the main attractions of the school's many activities. The Circle was organized primarily not to enable students to order "Bordeaux Rouge" in Paris, but to create, for those who are interested, an opportunity to speak and to hear spoken this fascinating romance language. For those who have tastes for lighter things, programs of delightful and original character are arranged.

Among the attractions offered for this semester was an awe-inspiring presentation of the last sorrowful hours of Jeanne D'Arc by the gifted actress Mlle. Lola Lopez. So realistic was her acting that she inspired a feeling of reverence in the hearts of her listeners.

Another worth-while entertainment presented this semester was the dramatization of part of the well-known "Les Miserables" by Victor Hugo, starring students of unquestionable ability.

The French Club has always produced programs of such high standard that one should have no fear of investing in it and we are sure that greater things are yet to be done.

THE GERMAN CLUB

| | |
|-----------------------------|-----------------|
| <i>President</i> | SYDNEY LEVITT |
| <i>Vice-President</i> | BETTY DOLINS |
| <i>Secretary</i> | EVELYN COHEN |
| <i>Treasurer</i> | CHARLES SCHWAHL |

THE German Club, otherwise known to its members as the "Deutsche Verein", is one of the largest and oldest clubs. It was organized for the purpose of creating a native atmosphere for the students of the language. The officers are elected at the end of each term by the old members. At the first meeting of the next term the newly-elected officers are installed and prospective members are welcomed.

Miss Wehausen has willingly accepted the advisorship of the German Club vacanted by Miss Miriam Smith. Among its varied activities, the two high-spots of the season are the annual Christmas Festival and the Spring Picnic. In addition to these, they show characteristic German films and participate in the games of the homeland.

Last year the club was given the privilege of visiting a German sea-going liner, then they turned out to see an all-talking picture in the German language. In being prosperously educational and recreational, the German Club has been successful as no other club in Barringer has, and promises to continue so.

ITALIAN CLUB

| | |
|-------------------------|--|
| <i>Consul</i> | JOSEPH RUBINO |
| <i>Pro-Consul</i> | AGNES DEPHILLIPS |
| <i>Tribune</i> | CONGETTA STEFFANELLI |
| <i>Quaestor</i> | JOHN DONOFRIO |
| <i>Historian</i> | ROSE CARDINALE |
| <i>Lictors</i> | { MICHAEL GIALANELLA MICHAEL RUBINO MANLIO POLCI |

THE Italian Club is one of the most important clubs of the school, due to the splendid co-operation of its many members. Its officers have titles similar to those of the magistrates of ancient Rome.

Every Christmas they visit the St. John's Orphanage and play Santa Claus.

Mr. Haulenbeek gave a very interesting talk on "Ancient Rome". The club also had the great privilege of listening to Dr. Simeone, Vice Consul from Italy, whose subject was the "Origin of the Italian Language."

Because of its exclusive membership (no one can belong who has not completed at least one year of Italian) and its competent advisor, Mr. V. Sibilis, the club is gaining a place of major importance.

THE LATIN CLUB

| | |
|-----------------------|---------------------------------------|
| <i>Consuls</i> | (SIDNEY LEVITT (DORIS SCHIFFENHAUS |
| <i>Praetors</i> | (RUTH EPSTEIN (HERBERT GOLDHOR |
| <i>Censor</i> | VIVIAN HILDEBRAND |
| <i>Quaestor</i> | JACK CONNELL |
| <i>Scriba</i> | BESSIE FREEMAN |

THE *Populus Romanus*, reorganized two years ago, has flourished for the last several terms with Mr. Raymond Haulenbeek as its capable advisor.

The members of the club are divided into two classes, Patricians and Plebeians—the Seniors being the Patricians, and the Plebeians, the lower classmen. The officers are named after the officials of ancient Rome, with two consuls, one of whom must be a plebeian, acting as presidents, a quaestor, the treasurer and a scriba the secretary. The advisor has the office of tribune and has the privilege of vetoing.

In memory of the two thousandth anniversary of Virgil's birth the "Populus Romanus" presented a shelf of books about The Master of Latin Prosody to the school library. This is only one of the many instances wherein this club has proven its usefulness and will continue to do so in the promising future.

THE HI-Y

| | |
|-----------------------------|------------------|
| <i>President</i> | RICHARD COLE |
| <i>Vice-President</i> | THEODORE BAILY |
| <i>Secretary</i> | WALTER HOWLAND |
| <i>Treasurer</i> | SHERMAN MCGOVERN |

THE Hi-Y is composed of the most representative of Barringer boys. The membership, usually about twenty-five, is by invitation of those who already are members. Most of the members are in the third and fourth years.

The meetings of the Hi-Y are held each Monday evening from October to May at the Y. M. C. A. Its purpose is to develop Christian character, to promote the best interests of the school, and to help bring out the finest ideals in Barringer boys who are members. The Hi-Y fosters good fellowship and an intimate study of its group of boys and their problems. The discussions of the meetings revolve around topics selected by the members. Many of the boys who are members are those who aid in different ways the management of the school, such as corridor patrol. This club ranks among the foremost of the school.

SCIENCE CLUB

President MARSHALL KING
Vice-President ELSIE MATHEKE
Secretary RUTH CRAMER

THE Science Club was organized in 1912 due to the realization that there were so many topics of scientific interest which could not be discussed in class. It is the successor to the "Agassiz Society" of the old Newark High School.

The meetings, which are held monthly, bring the members into direct contact with the scientific world through various demonstrations and lectures. Lectures are given by the students as well as by members of the faculty and outsiders.

At the last meeting of last term, Mr. Madison, an East Orange Building Inspector, gave a very interesting talk, "Be Square and On the Level."

Another of the well-known men to lecture here was Captain Ranger, a specialist for the R. C. A. in the transmission of pictures by wireless.

One of the most recent meetings had as part of its program a very interesting and educational program on liquid air, by Mr. McKay.

The club has progressed to a place of major importance among the clubs of Barringer, inspired by the unfailing interest of Mr. Saylor.

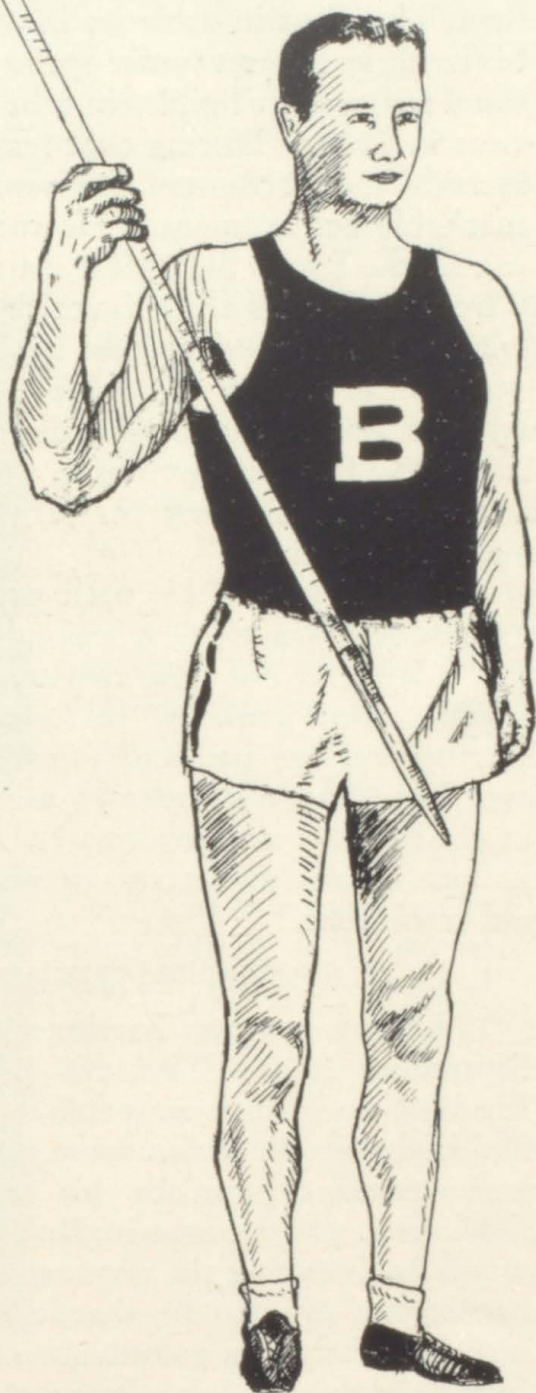

THE CHESS CLUB

| | |
|-----------------------------|------------------|
| <i>President</i> | GREGORY BARDACKE |
| <i>Vice-President</i> | EDWARD MCCARTHY |
| <i>Secretary</i> | LYMAN MOORE |
| <i>Treasurer</i> | ROBERT BALDWIN |

THE Chess Club, although one of the newest clubs of Barringer, is showing signs of being the strongest, for it is already the most active. It was organized about one year ago. Its purpose is to teach and play Chess, and to send representative players to engage in competition with other schools. It is a member of the Northern New Jersey High School Chess League. Last season, the Chess Club was quite successful. It defeated, among others, the East Orange team, which was the champion of the Northern New Jersey League, by the close score of 3 to 2. It also sent a representative to play one of the boards against Capablanca, the noted Chess wizard, and this representative tied him. Then, anyone walking past Room 3 during the second fifth period, may hear "check" or "mate"—the daily meeting of the members. The enrollment numbers at the present time about forty, and new members are added to the list regularly. Growth and fame are easily to be seen in the future of the Chess Club.

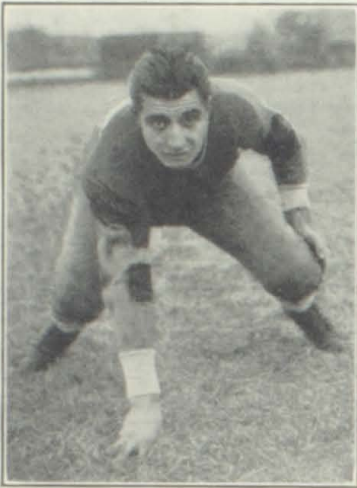

THE GLADIATORS

L. GIALANELLA

MAJOR GLADIATORS

FRED CARUSO

A pair of flashing feet, a ninety-yard run—everything spectacular! That's Fred Caruso! Undoubtedly one of Barringer's best all-around athletes, Freddie is the proud possessor of six major letters, four in track and two in football. He made his debut in athletics in 1927, when he won his track letter as a junior sprinter. The next season Fred was ineligible, but he made up for lost time in 1929. During that season he broke seven records and accounted for seventy points, a remarkable achievement. He made his best showing in the South Side Meet, in which he won the

the meritorious trophy by winning his three favorite events and breaking the record in each one. 1930 found Freddie again one of the leading trackmen in the state. He ran on the State Championship relay team and proved himself the best of the low-hurdlers. He also took a second in the National Meet. The current season finds him still a star and a consistent point-scorer. A brilliant performer, Fred has often been called the "one-man track team."

Between track seasons, Fred turned his path toward the gridiron. Although he went out for football in 1928, it was not until the following year that he received a letter. The past two seasons he has played sensationally, winning game after game by his speed and elusiveness. Who can forget his end runs and run-backs of punts? Or who cannot recall the South Side and East Orange games two years ago when Freddie dashed the length of the field for a touchdown? As a token of Barringer's appreciation he has, besides six letters, two wreath emblems, a gold football, and a gold track shoe.

JOHN KASHKEVICH

Johnny came to Barringer from East Side in September 1930. Thus his athletic career in a Big Blue uniform is a short but brilliant one. He had little trouble making the swimming team and was elected captain by his teammates. In the first meet of the season Kashkevich proved his worth by breaking the state record for the 40 yard backstroke event. In the following dual meets he consistently was a double winner and tasted defeat only once. John broke the records for the 40 yard backstroke and 200 yard freestyle events with monotonous regularity. In a meet with

Asbury Park he won the backstroke event and was clocked in 22 3-5

seconds, equalling the world's A. A. U. record. In February Johnny traveled to Pennsylvania where he easily won a national title. A month later he went to Rhode Island and won the New England backstroke championship, slashing three seconds from the previous record which he held. He followed with major triumphs at Rutgers and Syracuse Universities. However, the strain of competition and traveling told on him and the day before the city meet found John sick in bed. But he managed to pull through in record-breaking time. He terminated his illustrious career by winning the Junior National backstroke title and lowering the national record. During the season over 150 points were chalked up by Johnny, who has been awarded a wreath letter. His achievements will not be surpassed in Barringer for some time to come.

PAUL LEMASSENA

Paul first donned a football suit in 1928. That year he played on the second team. In '29 he found a varsity backfield berth awaiting him. 1930 saw Lemassena one of the stars of the team, because of his speed and defensive power. Due to his deadly tackling, Paul's name was never out of the line-up. To prove his gridiron prowess he has two emblems and a gold football. He also tried his hand at track and would have starred, had it not been for illness. However, he was awarded a second team letter for his faithful training. His graduation leaves a hole in the football team which will be hard to fill.

LOUIS BERRY

"The hot corner man." Lou, in spite of his small stature, is a two-letter man. He was unable to go out for baseball in '28 due to doctor's orders, but he did not give up hope. In 1929 Lou easily made the varsity, playing at second base. After a hard season, he made his letter. In '30 he tried out at third, gained the position, and held it for the entire season, playing a stellar role and figuring in many a double play. In the present season we find Lou at the same position, the "hot corner", playing the same snappy brand of ball. Always a great punch in the team, he is bound to receive his third baseball letter at the close of the season. His ability to handle a football also has gained him added glory. He came out for the first time in 1929 and took advantage of every angle of the game so that in '30 he found a varsity position awaiting him. Lou played

every position in the backfield, before Coach Pritchard found him an even better, more finished end. He held this position every remaining game, receiving a gold football in addition to his letter. So another athlete who has participated in various sports passes from the service of his Alma Mater.

GREGORY BARDACKE

Greg, six feet of brawn, started his football career in 1929. He spent that year gaining some knowledge on the second team. But in '30 he came through and earned the coveted "B" and a gold football by playing varsity tackle. He did not confine his activities to football alone. He went out for track and earned a second team letter as a field performer. This year he is expected to star and earn his letter. Greg was also a boxer, being one of the organizers of Barringer's newest sport, a boxing team.

EDWARD LEUZARDER

Eddie began his athletic career in 1929 when he played on the baseball team as a pitcher. In '30 he came out with renewed confidence and easily made the varsity team, alternating between the outfield and the pitcher's box. It was on the mound, however, that he showed his best form, being placed on the all-city team as a pitcher. Eddie was now to receive his just awards. With the opening of the 1931 season he was elected captain. And now, as the season begins, he feels that he can bring the team through a successful season. A classy ball-player, we know Eddie will make a name for himself and Barringer.

BEVERLY COOK

Beverly is a good example of what perseverance can accomplish. He went out for football in '27, '28, '29 without very good results. Not discouraged in the least, "Bev" came back in 1930 and played a bang-up game at half-back. He received a letter and a gold football the past season. He is another football man who was also on the track team. Coach Salerno made him a capable sprinter and Beverly garnered enough points for a second team letter.

CHARLES SCHWAHL

Running is connected with Charlie's name. For three years he has been a star on the track team. He reported for track as a freshman, but an injury kept him from competition that year. The next season he was developed into a crack sprinter. By running the dashes and relays, Charlie managed to score more than the required number of points. For his splendid showing he was awarded a letter. In 1930 he again was one of the leading dashmen. Among other things he was lead-off man on the city record-holding relay team. The present season finds Charlie well on his way to add to his laurels. In the fall he devoted his time to cross-country. He has run on the varsity for several seasons, finishing among the leaders. A rather eventful career for Charlie and Barringer's track team will miss him.

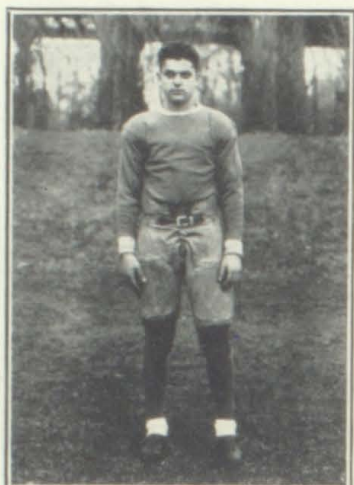

KEITH AVERY

Keith made his debut in Barringer sports in the fall of 1929. He reported for football and played on the second team, receiving a "B2." In '30 he alternated between the guard and tackle positions. He played in the East Orange game and not only received an emblem, but also a gold football. So Keith closes a successful career in athletics.

ELDEN HOFFMAN

In order that athletic teams may play, other teams must be engaged to play against them. The success of a team is greatly dependent upon the schedule drawn up. For the baseball team this important work was done by Elden Hoffman. In the spring of '29 "El" was chosen an assistant manager. For his hard work and untiring efforts he received a "B2." The next year Hoffman was elected manager and earned his letter.

JULIUS KRITZER

Jules answered the football call in 1928. As most new men do, he spent his first season learning the fundamentals on the second team. The next year his hopes were dimmed somewhat by ineligibility. Nevertheless, he again came out in 1930 and played in the majority of the games. He acquired a letter playing as left guard. Kritzer also sports a gold football, received for participating in the East Orange game.

ABE FRANCIS

In 1928 Abe, with true Barringer spirit, came out as a gridiron candidate. He spent that year building up a foundation of football technique. In '29 he earned a "B2" by playing on the line. The past season he became a center and was a reliable substitute. For his hard work he was awarded his letter and a gold football.

THEODORE BAILY

Ted first took an active part in athletics in the spring of 1930 when he reported to the track team. That year he was a member of a record-breaking relay team. However he did not make enough points for a letter. In the fall he went out for cross country in order to keep in shape. The current season he was a star, winning several places in track meets. For his splendid running he will be awarded a major "B" in June.

ANTONIO RUCCIA

Tony first donned the moleskins in the fall of 1928. He was going great, when he was stopped by sickness. In '29 he was head and shoulders above other candidates for the guard position. Consequently Tony received his letter. 1930 found a varsity position again for him and he starred at his favorite place on the line. He played a great game and blocked many a punt. He was rewarded with a second major letter and a gold football. Tony was also a trackman. He has received three B2's which he earned by putting the shot and discus. He is an example of that sort of athlete who is rewarded for his strong efforts in the sport to which he is devoted.

MINOR GLADIATORS

THOMAS MILANO

Tommie's athletic endeavors were concentrated on soccer. He received a "B2" in 1927. The next season, due to his height and ability to handle the ball, he was converted into a goal tender and became varsity goalie for '28 and '29, receiving his minor "B." Tommie has also been on the various interclass teams.

EMIL BILOTTA

In 1928, his first year out, Emil earned a berth on the soccer team. In '29 he again earned his letter by playing right and center half. He was also on the interclass team which won the championship. For such laudable work, he is the possessor of two minor letters.

SIDNEY RUBINOW

Sid turned his attention to swimming. He came out in '29 and '30. Both years he worked hard and always managed to score enough points for his minor letter. Besides swimming, he has also been out for baseball.

ANGELO SALERNO

It was in the fall of '28 that Angelo first went out for soccer. He received a second team letter for his efforts. In '29 Salerno worked hard and owing to his kicking ability he was placed on the forward wall of the team. During the season he earned a letter and a gold soccer ball.

CORD GIRLS

MARY BRUZZICHESI

Mary is one of our diminutive athletes, but even so she's one of our best. She earned two "B" 's in the Spring meet last year for a second and third place. In '29 and '30 "Brezzy" was out for Basketball and also in the same years she was a gym captain. Mary participated in the May Day Festival.

RENETTE CASEBOLT

Renette won both her Freshman and Junior cords and in her Junior year became the possessor of a "B". Likewise she was a gym captain during all four years. Renette was captain of the Freshman hockey team in '27 and also played in '28.

RUTH CRAMER

Ruth has won two gym cords, for her Sophomore and Junior years. She was out for Basketball in '28, '29, '30, for Hockey in '27, '28, '29 and Speedball also in '29. For participating in the Spring Meet, Ruth received a "Standard B" and was awarded a "B" for procuring a perfect mark on an Efficiency test. Last Spring she took part in the May Day Festival.

AGNES DE PHILLIPS

Agnes is one of our most ambitious athletes. In the Spring of 1930 she earned a "Standard B" for her excellent gym work. In the same year Agnes took part in the May Day Program.

BESSIE FREEMAN

Bessie is a good example of persistency in athletes. In '27, '28, and '29 she went out for Hockey and received a place on the team. The Spring of '29 found "Poke" out for Speedball. "Bess" has also been a gym captain.

FLORENCE GROVES

Florence is among the first when it comes to athletics. In '28, '29, and '30, she was a gym captain. She has also excelled in outside sports, especially in Hockey, winning her numerals in '27, and playing on the

varsity in '28, and '29. During these same years Florence played on our Basketball team as a regular. Last year in the Spring Meet she won a Standard "B". "Grovsy" also is one of our Senior Cord girls.

LUCILLE TANENBAUM

Another persistent athlete! "Lucil" won a gym cord last year when she was a Junior, and she's been a captain almost from the beginning. She's a first class Hockey player and has played for three years. In '30 Lucille played on our Junior Basketball team.

ANNETTE TISCHIO

Well does "Tish" deserve the title of our best athlete! Here are just a few of the many things she's done—Basketball in '28, '29, '30. She was Captain of the Freshman team. In '27 and '28, Annette played Hockey, and in '28 she made the "all star" team. The year of '29 found her out for Speedball—which she plays exceedingly well. "Tish" was in the Spring Meets in '28, '29, '30, and won her numerals in '28, '29. When Barringer won the two Pentathalon meets, she won two medals for taking part. "Tish" also has secured the highest honor it is possible for a girl to have; she has received a Script "B".

THE TENNIS TEAM

WITH the return of spring and warm weather the tennis team has started its operations under the direction of Coach Ayres. He foresees a good season with the reporting of Brown, Fenwick, and Barnham, all lettermen of last year.

After several weeks of training in the gymnasium, the squad of about fifteen boys began practice in Branch Brook Park. Mr. Saylor, the faculty adviser, has planned a ten game schedule, including matches with Atlantic City, Blair, and Montclair. Although the season has not yet begun when this is being written, we know that the team will strive to do its best.

THE GOLF TEAM

BARRINGER has just put out her second edition of the golf team. Last year the Big Blue golfers, led by George Carr, won the city championship. However, the team was not recognized by the Athletic Association. This year Carr is again the captain and Coach Fields will build up another team around Young, Colavito, Rossi, Pereca, and Laeselli. Matches have been arranged with the local high schools, East Orange, Caldwell, and Newark Academy. The home course will be the Branch Brook links.

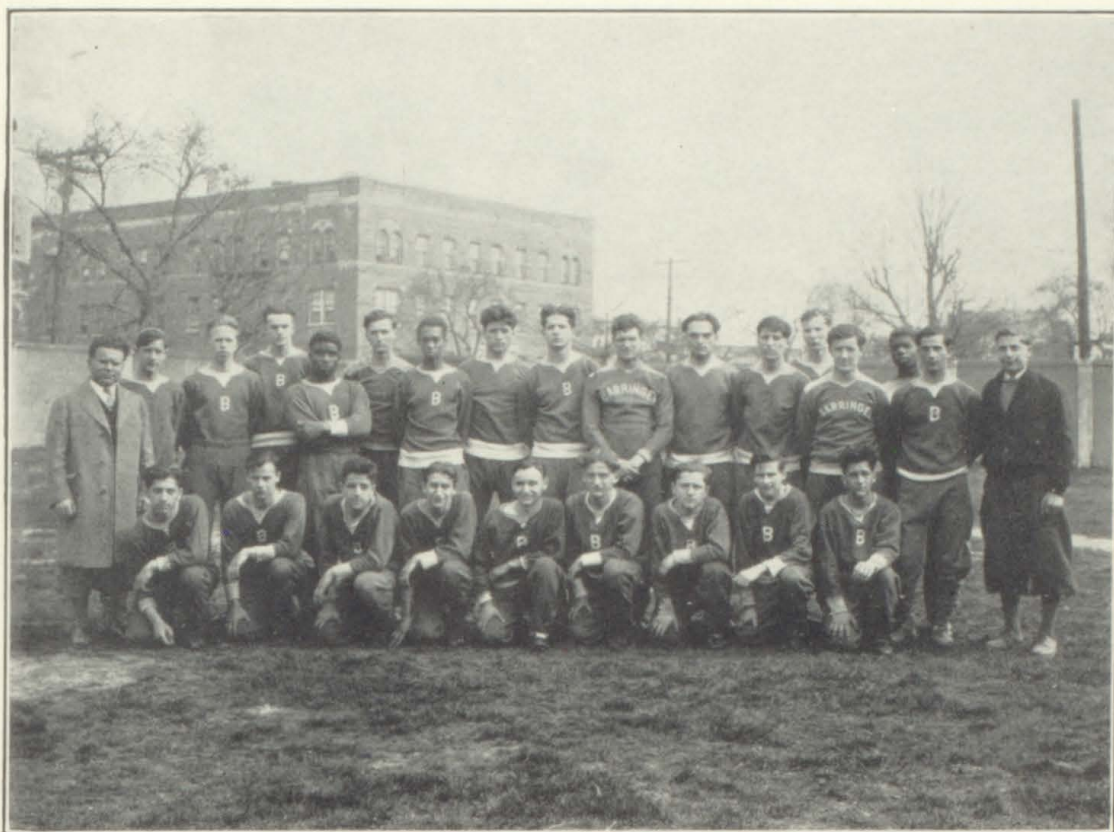

THE BASEBALL TEAM

THE baseball luminaries are slowly rounding into shape under the direction of Coach Lew Fields. The season's outlook is bright, for five lettermen have returned; Parisi, who is a shortstop; Captain Leuzarder, a fine pitcher; Berry, our star third baseman; Donaldson, and Butterworth. The schedule is a stiff one for such teams as Columbia, East Orange, Irvington, and Morristown, will be encountered. However, with plenty of newcomers to fill in the vacant positions, nothing but a successful season can be expected.

The city league has been disorganized because of lack of competition. East Side and Barringer are the only high schools having baseball teams. Therefore the Big Blue balltossers will have to travel in order to play many of their games. Neptune and Asbury Park will probably furnish the distant opposition. It is the annual custom to play Blair Academy, so the season will be finished with a trip to Blairstown.

THE TRACK TEAM

BARRINGER may be proud of its track team. It has always upheld Barringer's name and spread her fame far and wide. Our Big Blue runners have always made enviable records and Coach Victor Salerno is to be congratulated for his fine work. The team made a fair showing during the past indoor season. Led by Captain George Cohn, who was assisted by Jack Hall, Mike Gialanella, Ray Gornitsky, and many others, the squad always finished a close second or third in every meet.

At the first spring practice a large group of veterans and novices reported for training. Prospects for the outdoor season have been brightened by the return of Hall, Cohn, Gialanella, Caruso, Gornitsky, Lemassena, Schwahl, Petrangelo, Cole, Baily, Shanks, Collins, Goldstein, Albanese, Taggart, and Bardacke. All are working hard in order to bring the fifth consecutive City Championship to Barringer. Other meets in which the team will compete are the Penn Relays, Columbia Meet, and the State Meet. Every indication points to another successful season.

THE SWIMMING TEAM

THE Barringer mermen have just completed a highly successful season. The team finished second in the City Meet, well up in the State Meet, and won the majority of the dual meets. Coach Payton certainly should be praised for his splendid coaching.

Captain John Kashkevich, the outstanding swimmer in the state, gathered over one hundred and fifty points and many medals. Eddie Minion was another star. Others who performed well were Finger, Marcus, Halligan, Fischer, Feind, Adams, and Cann. Several of the boys will receive major letters because of a new A. A. rule, which requires that a swimmer gain twenty points for a block "B".

More things we never expect to see:

- Mary White and Marguerite Bismarck playing "hookie".
- F. Crecca coming to school very early.
- G. Bardacke doing the "stumble".
- Ted Baily working hard in Chem. lab.
- Mr. Pritchard chewing gum.
- Mr. Taylor yelling in the auditorium at noon.
- H. Duncan flattering someone.
- T. Varcoe getting a zero.
- J. Denny with an intelligent expression on his face.
- Gartenberg saying something interesting.

| J. HUFF | The Man Who Came Back |
| S. MILLER | Tom Sawyer |
| E. GOLZ | Sunny |
| M. TARANT | Devil with Women |
| F. GROVES | Our Modern Maidens |
| B. FREEMAN | Hook, Line, and Sinker |

Did you know that our teachers had theme songs? Well, here they are!

| | |
|-----------------------|--|
| MISS CAPEN | Them There Eyes |
| MISS McHALE | Hello Beautiful |
| MR. SNAVELY | I'm So Afraid of My Shadow |
| MR. STONE | Just A Gigilo |
| MISS ROBINSON | Keep A Song in Your Soul |
| MR. TAYLOR | Got the Bench and the Time and I'm Gonna Get You (Revised and enlarged) |
| MR. KING | I'm the Last One Left on the Corner |
| MR. HAULENBECK | Never Swat A Fly |
| MISS SKIDMORE | Out of Nowhere |
| MR. FIELDS | Little Things in Life |
| MRS. O'LAUGHLIN | Strike up the Band |
| MR. BARR | Where Have You Been |
| MR. DUMM | I've Found What I Wanted (So don't bother looking any further) |

Kashkevich—"How do you do? Don't you remember me?"
F. Groves—"I don't seem to remember the name, but those feet do look familiar!"

Clerk—"Oui, that suit is a perfect fit."
Kempf (trying on suit)—"That's no fit; it's a convulsion."

Mr. Dumm—"Now you understand, don't you, that you should not let that acid touch your skin or clothes? Why, Miller?"
Miller—"Er-ah-why, that would just burn me up!"

De Camp—"Our parrot can say 'Mamma' and 'Papa'."
Cramer—"Oh, are it's parents still living?"

Caruso—"You mustn't fight! Haven't you been taught to love your enemies?"
Bardacke—"He is not my enemy—he's my brother!"

H. Duncan—"I wonder why those two boys are collecting milk bottles?"
J. Perry—"Maybe they have a cow somewhere."

F. Westfall—"I went to the movies yesterday."
M. Bismarck—"What did you see?"
F. W.—"I forget the name, but the sign said something about '50% Cooler'."

Monday Morning

Miss Capen—"—and if you don't know your lesson you will take a zero and pay me 75c. Now Miss Mather, will you recite on the Sherman Anti-Trust Act?"

M. Mather—"This act was advocated by Sherman and-er-have you change for a dollar, Miss Capen?"

Our History Teacher—"Who was the King of England during the Civil War?"

Kritzer—"Queen Elizabeth."

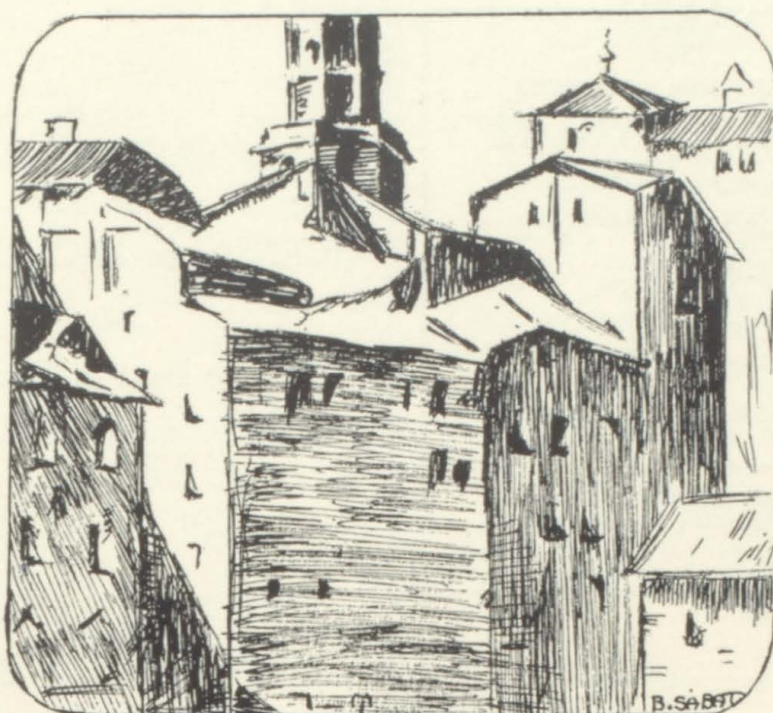

Or Office Boy?

Norcross—"When I get out of Barringer I think I'll open up an office."

Jantausch—"I guess I'll begin as a janitor, too."

She was only a printer's daughter; but I liked her type.

RENSSELAER POLYTECHNIC INSTITUTE

TROY, NEW YORK

A SCHOOL OF Engineering and Science

THE Rensselaer Polytechnic Institute was established at Troy, New York, in 1824, and is the oldest school of engineering and science in the United States. Students have come to it from all of the states and territories of the Union and from thirty-nine foreign countries. At the present time, there are nearly 1700 students enrolled at the school.

Four year courses leading to degrees are offered, in *Civil, Mechanical, Electrical, and Chemical Engineering*, in *Architecture*, and in *Business Administration, Physics, Chemistry, and Biology*. Graduates of the engineering courses are prepared to take up work in any branch of engineering. Graduates of the course in Architecture are prepared to practice their profession in any of its branches. Graduates of the course in Business Administration are prepared for careers in business or for the study of law. Graduates of the courses in Physics and Chemistry are fitted for research and teaching in these fields, as well as for practice in many branches of applied science. The course in Biology prepares for research and teaching, for work in sanitary engineering and public health, and for the study of medicine and dentistry.

Graduates of any of the above courses may continue their work in the Graduate School of the Institute. The Master's Degree is conferred upon the satisfactory completion of one year's work and the Doctor's Degree for three years' work.

The method of instruction is unique and very thorough, and in all departments the laboratory equipment is unusually complete.

Interesting illustrated pamphlets giving information regarding the courses of study and the methods of instruction and containing views of the campus, buildings, and laboratories, the student activities, and the work of graduates, may be had by applying to the Registrar, Room 008, Pittsburgh Building.

PRIDE OF POSSESSION

TURNING back the years was once a dream of fancy that the miracle of printing has since made real. What but the printed page could perpetuate so vividly those days at school—days you will want to live again, and can, within these very covers.

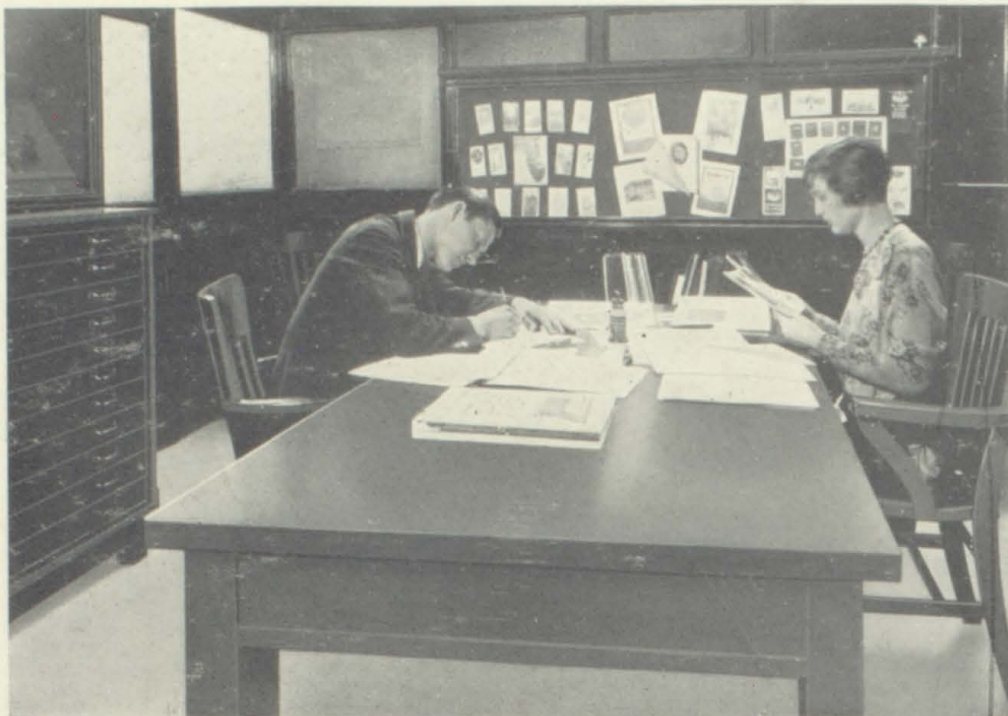

Fleeting years will scatter your school day chums—classroom romances and campus gayeties may be forgotten—forgotten forever were it not that these pages have preserved imperishable those treasured memories of school day years.

What a rich possession—Your Year Book. We take great pride in the fact that it came from our printing plant. It is the production of this kind of printing that brings to our organization each year opportunities to serve many Schools and Colleges throughout the East.

Colyer Printing Co.

Sussex Ave. and Dey St.
Newark, New Jersey

IN these well lighted, comfortable surroundings you may plan your book, read proofs, make corrections and confer with our executives at any time. Here too, you will find a library of Colyer accomplishments. They will provide innumerable suggestions and prove to be of tremendous aid in making up your own book. Our "Annual" room is but another example of our earnest desire to serve you as efficiently as possible.

Every modern facility, many years of practical experience and the counsel of men well versed in every phase of printing are available.

Colyer Printing Co.
